CTC MISSION

The Chicago Training Center's (CTC) focus is to serve disadvantaged youth in Chicago and provide individuals from the greater Chicago community rowing opportunities to enhance their athletic development and personal growth.

Chicago Training Center, using the sport of competitive rowing, creates opportunities for underserved Chicago youth to challenge themselves to achieve their athletic and academic potential. The CTC's nurturing environment motivates students to become physically fit, to build teamwork, self-esteem and leadership skills, as well as develop and advance their educational and life goals.
