

CTC's First Quarterly Event At Webster Wine Bar

Over fifty people came to CTC's first event with notable attendees including: Juan Rangel (executive director of UNO) and Mr. Floyd Carroll (CPS Military Schools). \$1200 was raised and many volunteered their time and energies to support CTC. We look forward to continued success in our event planning and the reach of attendees.

Funding Status

We are currently finalizing our contract with ASM that will provide funding assistance for our 2007 programming. Special thanks to UNO for acting as our fiduciary while CTC awaits tax-exempt status from the IRS.

We are currently working on additional funding sources and appreciate any help identifying foundations, individuals, community organizations etc. that would be of assistance to CTC.

Next Event

Our next social event will be on Thursday, the 8th of February. To keep current on news of future events please email events@chicagotrainingcenter.org and you will be placed on our events list.

Programming

We are planning to start 2007 programming in January. We are working closely with UNO, WACA, and CPS Military Schools to fill our team roster. The first challenge to tackle is swimming certification and tutoring.
